

DYNE[®]

Special nutrition for when your dog needs it most

High calorie liquid nutritional supplement for dogs and puppies

Maximum nutrition
in a minimum volume

High in fat to sustain
working dogs' energy

Supports weight
gain by providing
extra calories

Highly palatable sweet
vanilla flavor encourages
finicky eaters

Give your dog or puppy the calorie
boost he or she needs with this
specially-formulated supplement.

Every Animal. Every Day.

What type of dogs benefit from Dyne®?

- **Working or active dogs** benefit from the extra energy of high-calorie supplementation
- **Growing puppies** benefit from the weight gain support and overall nutrition
- **Recovering dogs** benefit from the high fat content that aids in regaining lost weight
- **Pregnant and nursing moms** benefit from the critical nutrition and vitamins that support them and their pups
- **Picky eaters** benefit from the sweet vanilla flavor that encourages consumption

How much does my dog need?

Dyne is available in 16 oz., 32 oz. or 1 gallon sizes to meet the needs of dogs and puppies of every size.
