

Unique Design: Trailer hitch ball cover features a bobber design to show your personality and your passion for fishing by adding a quirky, little accent outside your vehicle

Snug Fit: By having a stretchy material, this ball hitch cover fits 1 7/8 inches to 2 inches of tow balls; applicable for standard-sized hitch balls of a truck, an RV, or a car

Great Protection: Our ball cover features a larger exterior than usual trailer hitch covers for excellent coverage and protection against dirt, dust, and rain to keep your hitch ball in its pristine condition

Excellent Construction: This tow hitch ball cover is constructed with rubber for longevity against outdoor elements; professionally painted to achieve lasting, vibrant color with high texture and detail

Unique Gift: With four designs available, our trailer hitch ball covers portray the adventure brought by the great outdoors and serve as an excellent gift for outdoor enthusiasts
