LIMITED WARRANTY We warrant that this product is free from defects in material or workmanship under normal use and maintenance. We will, at our option, repair or replace any defective product or defective part covered by the Limited Warranty, free of charge at any authorized Servicing Dealer/Center using OEM replacement parts, subject to the limitations and exclusions described below.

Limited Warranty Period. We will warrant the product to the original retail purchaser from the date of retail purchase for the applicable period of time shown on the chart below.

What is NOT covered. This Limited Warranty does not cover:

(a) Normal wear parts (parts and items that normally wear out with use), including without limitation spark plugs, bulbs, filters, lubricants, starter cords, belts, blades, and blade adapters are covered if they are defective. However, if such parts need replacement simply because they have worn out, then such replacement is not covered by this warranty, nor is damage due to normal wear, such as abrasion to mower decks, tires punctured by an external source, natural discoloration of materials, or dulling or damage to blades due to contact with abrasives, rocks, rods, or other foreign objects.

In addition, you must cease using the product immediately upon any failure or damage, and take the product to an authorized servicing dealer prior to any further use.
