

# **HUD-1 EZ BUILDINGS**

## **WARRANTY**

**Premium building kits are warrantied for a period of 5 years, calculated from the year of the original purchase contract, production and delivery to original purchaser. The warranty covers: seal failures in glass, hardware, thru splitting of wall logs, and any defective components produced that cannot be used for assembly. So long as proper treatment of material is preformed two wood seal treatments are recommended for warranty.**

### **WHAT IS NOT COVERED**

**Any inherent features of wood such as; checking, warping, twisting, natural color variations in wood, damage or deterioration caused due to lack of sealers or paints. Defects caused by; faulty installation, inadequate foundations, natural drying of wood, knots that do not affect the structure or changes to the structure made by anyone other than the manufacture. This warranty shall cover the cost of replacement parts only.**
