1/2"

## Mounting brackets for small solar panels

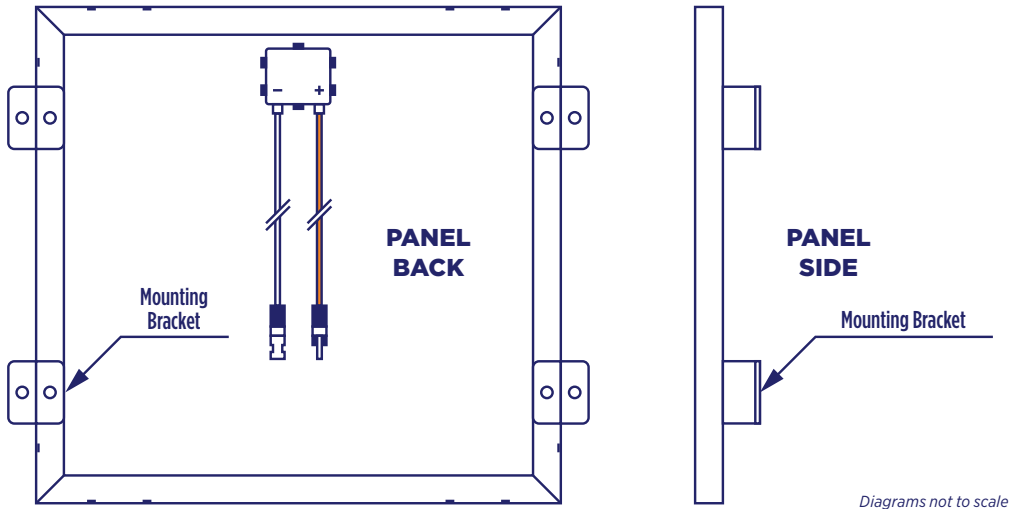

- Anodized aluminum for strength and a light weight design
- Ideal for RVs and boats, and other flat surfaces
- Includes two (2) bolts, two (2) flat washers, one (1) lock washer and one (1) nut per Zippity Foot for secure mounting

# Mounting Brackets

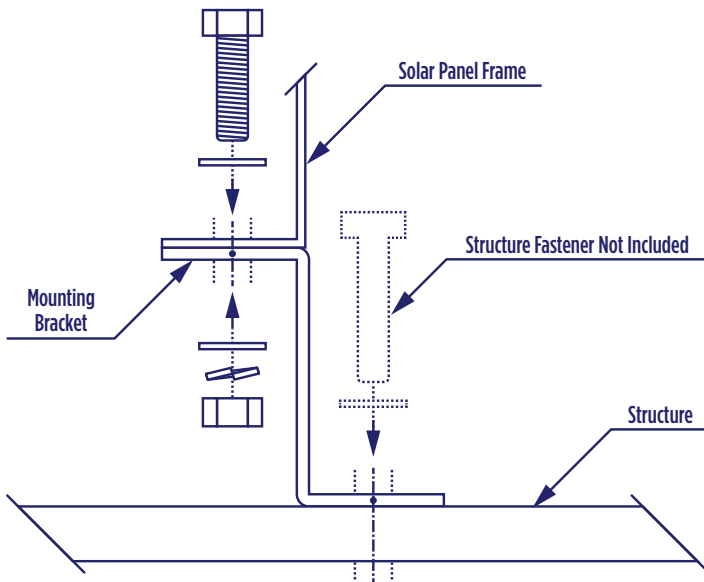

GS-ZB-FAB

The Grape Solar Mounting Brackets for 200w or less small panels are an ideal solution for mounting small off-grid panels without the need for the large, expensive, complicated racking systems typically required for larger systems. Made from anodized aluminum, each set includes bolts, nuts, flat washers, and lock washers. Four (4) Mounting Brackets — enough to mount one (1) solar panel — are also included.

## Bracket Placement

## Fastener Assembly
