# Discover Plastic Fencing & Nets

## Safety Snow Fence

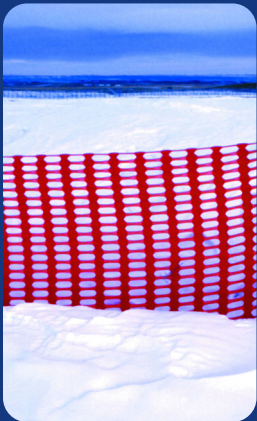

### DESCRIPTION

Tenax Safety Snow Fence is ideal to contain drifting snow. It provides a simple solution for protecting buildings and roads from weather elements.

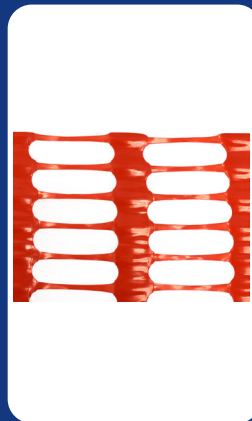

Tenax Safety Snow is a cautious investment in extreme environments or areas subject to sudden and continuous weather changes.

Tenax Safety Snow Fence is made with high-quality polyethylene polymer and will resist wind damage remaining flexible in freezing temperatures.

### USES

- Control snow drifts in moderate snow environments
- Visual fence around sand dunes
- For do-it-yourself homeowners or professionals use
- Visual barrier for use on construction sites, parking lots, and warehouses
- Visual barrier for use around hazardous, traffic, or pedestrian areas
- Reusable visual barrier for property delineation or home construction

### BENEFITS

- UV Stabilized for long-lasting color and performance
- Lightweight, easy to carry and store
- Reusable and recyclable
- Non-toxic and high-quality polymers
- Won't rust, rot, or corrode
