BEFORE YOU BEGIN

Before beginning assembly, make sure all parts are present. Compare parts received with the parts list. If any part is missing or damaged, do NOT attempt to assemble the product. Please read and understand this entire manual before attempting to assemble, operate or install this product. If you have any questions regarding the product, please contact Customer Service.

GENERAL INFORMATION

Your new Jareth Patio Set is made from the finest materials available. It should provide years of enjoyment with minimal care.

Keep your Jareth Patio Set clean. For best results, clean with a soft, damp cloth. You may use a standard glass cleaning spray to clean the glass tabletop. If you use furniture covers, always make sure the Jareth Patio Set is clean and completely dry before covering, as mold may form in dark, wet places. Remove cushions prior to covering and store them in a dry, temperature controlled place. Check the hardware on your Jareth Patio Set regularly to make sure it is secure.

The weight limit is 220 lb/100kg per chair, 440 lb/200kg total for sofa.

SAFETY INFORMATION

WARNING

Do not stand or allow children to stand on the assembled product. Ensure hardware is securely in place. Perform periodic checks to make sure the connections are secure and adjust if needed. The glass tabletop is tempered for strength but may break or chip if dropped, struck sharply, or otherwise abused. Do not sit or stand on the glass tabletop, and take reasonable precautions to avoid injury in the event of glass breakage.

CAUTION

Read all instructions before beginning assembly. Failure to do so may result in faulty assembly and potential injury. Assemble the item on a soft, non-abrasive surface such as carpet or cardboard to avoid damaging the item.
