GENERAL INFORMATION

Your new bench is made from the finest materials available. It should provide many years of enjoyment with minimal care.

Keep your bench clean. For best results, clean the bench with a soft, damp cloth. If you use furniture covers, always make sure the bench is clean and completely dry before covering as mold may form in dark, wet places.

Remove any cushions prior to covering and store them in a dry, temperature controlled place. Check the hardware on your bench regularly to make sure it is secure.

The weight limit for this bench is 200kg / 450 lbs.
