

# **"HITCH- N -GO" CART MODEL # HNGC 350**

The **Hitch-N-Go Cart** will make your life so much easier! No more making trip after trip, back and forth, toting your items. When you need an extra set of hands.....the HNGC-350 can be just that.

The **Hitch-N-Go Cart** conveniently fits through most doorways and the tight turning radius makes this cart invaluable when packing for trips. Just take the **HNGC-350** to your items, load it's large, 48"w x 20"d x 11"h, cargo area and then transport everything in one trip to your vehicle. You don't even have to unload the cart! We have designed the **HNGC-350** to install into the receiver hitch of your vehicle. And you can still access the tail gate or lift gate with no problem. You will need a 2" receiver hitch to attach the **Hitch-N-Go Cart**.

The **HNGC-350** is so versatile that you can use it for many things. Whether it's vacation, moving things around your yard, picking up items from your favorite lawn and garden store or just anytime you need help getting a job done....Great Day's **Hitch-N-Go Cart** is designed to handle that need.

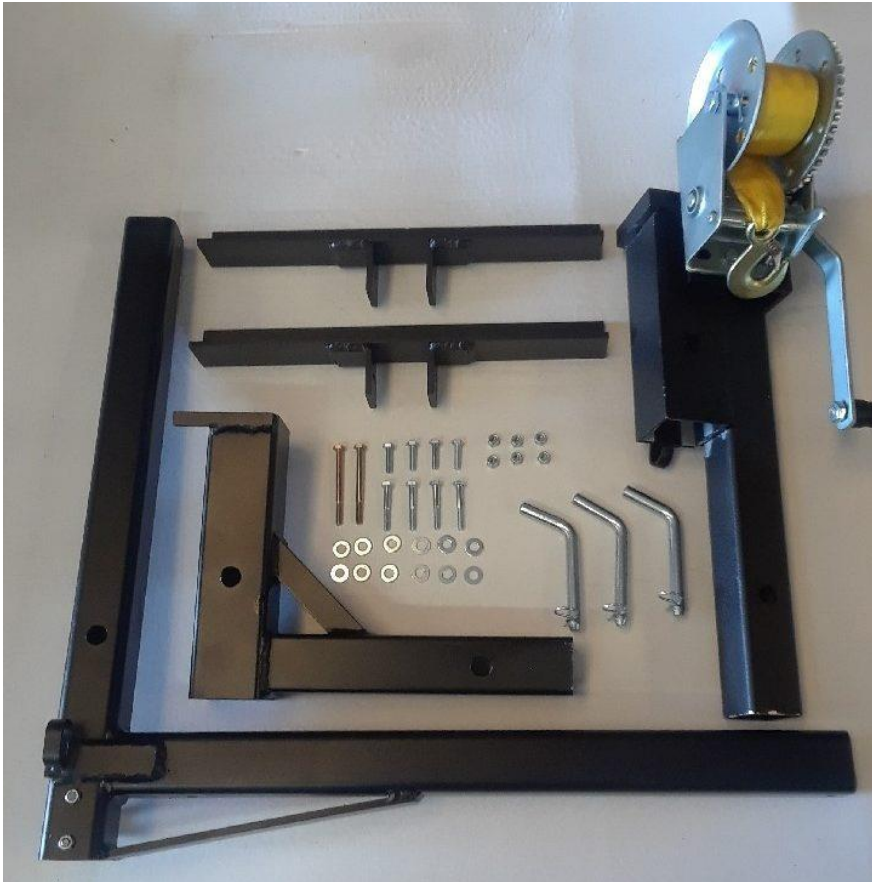

The **HNGC-350** is constructed of powder coated welded aluminum that will not rust. It has 13" x 4" pneumatic tires and weighs 45 lbs. The cargo capacity on the **HNGC-350** is 350 lbs.

- Welded aluminum construction that will not rust

- Complete unit weight only 62 lbs. wagon weighs 45 lbs.
- Complete unit ships in one carton, 52" x 25" x 13"

## Hitch N Go Lift Assembly

# HNGC-350 Lift Assembly

If you already have a cart, but you want to be able to transport your cart easily by using your hitch receiver, then our **Lift Assembly** is the perfect solution. Will work on *any* brand cart that is 23" wide and uses a 2" receiver.

## Hitch N Go Wheel Kit

# HNGC-350 Wheel Kit

Great Day has designed a wheel kit that would allow you to convert your existing Great Day HNR1000T or HNR2000TB into a wagon. This wheel kit only works on the Great Day brand HNGC-350, HNR1000T and HNR2000TB

To make your converted wagon lift for easy hitch installation, you will need to purchase the HNCG-350 Lift Assembly. (see above)
