Identify the handle-side of the player rod by locating the pre-drilled hole that is close to one end of the rod.

Follow the diagrams to ensure rod and player placement are correct.

- Firmly attach Handle (P7) to the handle-side of the player rod.
- Run the rod through the outside opening on the table; do not run the rod through the opposite side of the table yet.
- Ensuring the front of the players are facing the center of the playing field, install components as indicated in the diagram below.
- After bushings, washers and players are placed onto the rod, put the other end of the rod through the opening on the opposite side of the table and firmly push Rod Cap (P15) on the rod.
- Align the players and goalkeeper stop rings with the mountain holes on the rod. Firmly secure each player/stop ring using 5/32" x 1" Bolt (R8) and 5/32" Lock Nut (R9).

NOTE: Stop Rings (C5) are only used on goalkeeper rods.

Care and Maintenance

PROTECT: Only use this game table indoors; high moisture areas may cause the finish to peel and wood to warp.

LEVEL: If the playing surface is uneven, adjust the feet by (un)screwing each foot until the playing field is level.

COVER: Covering the game table while not in use will help prevent dust build-up.

INSPECT: Periodically check all assembly points to ensure all bolts and screws are firmly secured.

CLEAN: Use a soft, dry cloth to dust the game table. For stubborn stains, use a slightly damp cloth. Dry any wet or damp spots immediately as contact with water will damage the finish.

NEVER use furniture polish, harsh chemical or abrasive materials to clean any part of the game table.

SAFETY STATEMENTS & WARNINGS

- This product is intended for INDOOR use only.
- For residential use only.
- Supervise children while this item is in use.
- Do not sit, stand, climb or lean on any part of the table.
- Ensure all bolts and screws are firmly secured before each use.
- Always lift the table when moving it. Dragging the table can permanently damage the unit.
- Do not use or store this item in the proximity of open flame or flammable/combustible chemicals.

Any modification to the product or failure to follow recommended care will void the product warranty.

If you experience issues with assembly or the product was damaged during shipping, please contact our customer service team through one of the methods mentioned at the top of page 1.

Please have the item number and order information ready to expedite response time.

WARNING!

Manufacturer and seller expressly disclaim any and all liability from personal injury, property damage or loss, whether direct or indirect, or incidental, resulting from the incorrect attachment, improper use, inadequate maintenance, or neglect of this product.
