USE & CARE

- SAFE USE: Take your time getting in and out of the hammock. Any hammock may tip if your weight is not centered.
- **SUN EXPOSURE:** All fabrics will eventually fade and degrade from sun exposure. The less direct sunlight the hammock is exposed to, the longer the life of fabric and ropes will be.
- **CHILDREN:** Supervise children at all times while using this product. Do not allow children or pets to play in the hammock. Excessive swinging or rough play will damage the hammock and may cause injury.
- INSPECT: Before each use, inspect the ropes, fabric and spreader bar for wear or weakness.
- CLEANING: Clean when soiling or staining is present, and before storage.
- **STORAGE:** Store indoors, in a dry location during inclement weather, winter, and when it will not be used for an extended time. Ensure it is completely dry before storing to prevent mold and mildew growth.
