

THE WONDER SCOOPER

THE MOST INNOVATIVE SCOOPER AROUND!

OUR GOAL

Cleaning after your cats is a messy, tiresome chore. We wanted to create a more effective way of doing it that was cost efficient, and we've succeeded with the patent-pending Wonder Scooper!

Our innovative scooper was designed by cat-loving scientists, who agreed that none of the other brands had it right. So they set to work, and after many trials and formulas, they produced a unique, ergonomically designed scooper that blows away the competition.

You'll wonder meow you did without it!

DESIGN

- Large sifting grid to handle even the toughest jobs
- Lifts the heaviest clumps and filters clean litter through
- Peaked blades enables cleanup around corners
- Extremely light weight, flexible, yet durable
- Ergonomic, comfortable handle
- Comes in 8 fun colors
