THE MASSIMO STORY

IMAGINE COMING TO A DISTANT FOREIGN LAND WITH ABOUT A HUNDRED BUCKS IN YOUR POCKET, A SUITCASE WITH JUST A FEW PERSONAL ITEMS AND COUPLE WIDGETS YOU THINK MIGHT SELL. KNOWING NO ONE, NO JOB, NO PLACE TO LIVE AND CAN'T SPEAK THE LANGUAGE. IN FACT, THE ONLY THING YOU HAVE IS A DREAM.

It's from these incredibly humble beginnings where the Massimo story truly begins. Learning real fast through hard work, practice and perseverance that people will and in fact want to buy, if your product quality is good, price is good, and service is good. This simple, yet hard earned statement..."Good Price, Good Quality and Good Service" is in fact our foundation at Massimo Motor.

FOUNDED IN 2009

Our pride and joy is our 325,000 square foot factory in the heart of the Dallas / Fort Worth area of Texas USA, in the city of Garland. It's here we offer some of the most sought after, value packed UTV's, off-road, and on-road vehicles in the industry. Our vast product lines include a wide selection of farm and ranch tested utility UTV's, recreational ATV's, and Americana style mini-bikes. We work hard to continue to deliver one of the most diverse, value packed and expansive product-lines in the industry.

OUR ROOTS GROW DEEP

Massimo is proud partners with 1000's of service centers, full-line dealers and handpicked retailers to ensure each and every Massimo customer receives the best customer service and support experience possible. The shared passion of our customers has always been our greatest motivation in bringing products with good quality, good price and good service to the market.
