

FRASER HILL FARM®

Christmas Wreath and Garland with Snow Flocking and Pinecones

Spruce up your holiday decor with this collection featuring snow flocked branches and pinecones from Fraser Hill Farm. Whether you deck the halls indoors or outdoors, invest in quality decorations that will last year after year.

This wreath and garland feature a mix of realistic pine branches with oversized pine cones scattered throughout. A dusting of flocked snow glistens among the wispy branches and accentuates the pine cones beautifully. The arrangement creates a complete look while evoking subtle feelings of Christmas. The wreath and garland can be purchased individually or as a set depending on your decorating needs. Hang them on your door and greet each guest with holiday cheer that will last from one season to the next.
