

FRASER HILL FARM®

24-in. Christmas Prelit Snow Covered Wreath with Pinecones and Berries

Spruce up your holiday decor with a prelit artificial wreath from Fraser Hill Farm. Whether you deck the halls indoors or outdoors, invest in a quality wreath that will last year after year.

This 24-inch wreath features snowy, lifelike needles that resemble natural, evergreen branches, dusted by the first snowfall of the year. To complete the look, it's accented with real pinecones and red artificial berries. The 25 prestrung battery-operated LED string lights come with a timer and discrete battery box hidden within the branches, so you can illuminate your display without cords interfering. Hang this wreath on your door and greet each guest with holiday cheer that will last from one season to the next.
