

Van Zyverden's
PROVEN WINNERS® SYRINGA BLOOMERANG® DARK PURPLE 4" POTTED ROCKETLINERS®

Rocketliners® are sized, shaped and rooted throughout the pot with strong and responsive roots. Gardeners can expect a healthy finished plant within a single growing season. They have greater fresh root mass and vertical root training which promotes faster finishing times. While it can often take up to 3 years for a shrub or vine to become fully established growing from bareroot, Rocketliners® may only take 12 months, saving you up to 2 seasons of waiting time. Rocketliners® are for gardeners that have busy lives, little time to waste and want to start out with the best planting stock.

*What matters most in young plants is
what is below the soil line in the pot,
not the branches above*

Months of blooms

*Shrubs are the cornerstone
of landscapes*

About This Variety: Bloomerang® Dark Purple (Syringa 'SMSJBP7' USPP#26549) by Proven Winners®. Don't settle for lilacs that only bloom once a year—grow Bloomerang® varieties and enjoy months of flowers each season. Dark Purple is bold and beautiful with fragrant, deep-purple lilac blooms from spring to fall. Very attractive to butterflies and deer resistant.

Growing Instructions: Dig a hole two times the width of the liner pot. Set top of root ball even with ground level. Combine planting mix and garden soil. Fill to ground level and tamp down firmly. Water to settle soil. Add layer of mulch to retain moisture and discourage weeds. Water regularly for the first year, then as needed once established. Feed with a quality fertilizer following application and frequency instructions, typically just before and during the bloom season.

Care Tip: Prune to maintain shape.

Blooms: Mid spring

Exposure: Full sun

Height: Grows 4-6' tall

Spacing: Plant 4-6' apart, setting root ball even with ground level

USDA Zones: Hardy in USDA zones 3-7

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
