DESCRIPTION

The DK2 Hitch Mounted Bike Carrier is the perfect way to transport your bicycles on those long road trips. Quick and easy assembly takes only minutes. The BCR290 is constructed of UV power coated steel to help resist damage from harsh weather conditions. Simply slide the bike carrier into your 2 inch receiver hitch and secure using the anti wobble hitch pin. No mark straps allow you to secure up to 4 bikes to your carrier for transportation. The carrier also tilts away for easy access to your trunk.
