

## **HITCH MOUNTED BIKE PLATFORM RACK**

**Mounts to any 2" or  
1.25" hitch receiver**

**Item Number: BCR590  
UPC: 827518007112**

### **DESCRIPTION**

The DK2 Hitch Mounted BCR590 Bike Carrier fits into either a 1-1/4" or 2" receiver hitch. This unit allows you to transport two bicycles by securing them to carrier. The BCR590 adjusts in width and height to fit your bike while making sure the no mark straps do not damage the finish of your bike. The carrier folds up when not in use and the center arm can fold down to allow access to the rear of the vehicle without removing the rack. Light weight and easy to assemble the BCR590 is the perfect solution for those long road trips!

Fit for 1 1/4" and 2"  
and hitch Receiver.

Safe bike holder  
with adjustable  
height.

Can adjust the rack according to the bike tire size and secure with the rubber straps.
