

PORTABLE UTILITY WINCH

Item Numbers:

40PUS12

40PUA12

DESCRIPTION

The Trojan Portable Utility Winch is a complete winching solution in a convenient kit that features a 4,000 lb rated line pull winch on a unique powder coated winch platform, all in a compact, easy to carry composite tool box. The kit is easy to store, use, and repack. Completely portable, the Trojan requires no installation and does not require a winch mount; however, it can be permanently mounted on a trailer and be used as a utility winch if desired.
