

FORAGER

BUILT FOR THOSE WHO EXPLORE THE MUCKIEST PLACES ON EARTH

The Forager is a boot unlike any other, inspired by classic Muck styles but updated to meet the needs of today's active wearer. This boot is designed for the person who is on the move but needs comfort, reliability and fit. 100% Waterproof, the Forager is versatile that it can be worn at three different height options with an adjustable closure system and gaiter collar. Pliable, lightweight, easy to roll and pack, easy to clean, this boot is for the outdoorsy user who is always prepared and won't be slowed down.

100% WATERPROOF. 100% MUCKPROOF. 100% ORIGINAL.
