

Specifications

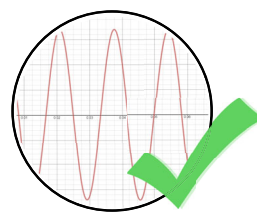

Brand	Tomahawk Power
Model	TWG120A
Engine Type	15 HP Tomahawk Power
Voltage	220 DC
Rated Amps	120
Suitable for Welding	6010 Rods Up to 6013
Max Watts	2200
Rated Watts	2000
Engine Displacement	208 cc
Outlet (Qty.)	2
Outlet Type	120V DC
Wheels	8" Never Go Flat
Fuel Tank	1.6 Gallon
Fuel Type	Gasoline
Color Finish	Black
Weight	99 lbs
Height	19 in.
Length	20.9 in.
Width	16.9 in.
Warranty	1 Year

**Compatible with rods
1/3" - 3/8"**

**Two 120V
Outlets**

**Inverter Technology with
the Stablest Power**

**1 Year
Product Warranty**

FEATURES

- TIG and MMA Welding Versatility
- Permanent Magnetized Generator (PMG)
- Inverter Generator with stable sine wave for the steadiest welding
- Weld and Run Electric Tools all at once
- Able to weld 1/3, 1/4, 3/8 inch
- Easily set amperage with Electronic Reader and Knob
