1.

CONNECT TWO SHORT POSTS TOGETHER WITH ONE 4FT. BOARD

Holding a Board in one hand with the notched ends facing up, line up the groove on a Short Post and slide it down over one end of the Board. Slide another Post down over the other end to complete one 4ft. wall. Repeat step one to complete a second wall.

2.

CONNECT THE TWO WALLS TOGETHER WITH TWO 16IN. BOARDS

Take a Board and slide down over the top of a Short Post. Connect the same Board to an adjacent Post on the second wall. Do the same with another Board to complete a 16in. x 4ft. rectangle.

3.

ATTACH DECORATIVE CAPS

Attach each Decorative Cap to a Short Post with a screwdriver and one Screw. We recommend drilling a pilot hole first for each Screw.

TO STACK GARDEN BEDS FOR MORE HEIGHT:

- Assemble the first Garden Bed without Decorative Caps, or remove Caps from a completed Bed.
- The Corner Posts are designed to be taller than the Boards, so Beds can be stacked securely.
- Slide a Board from the second Garden Bed into tops of the Corner Posts from the first Bed, to extend one wall upwards.
- Slide Corner Posts from the second Bed down on both ends of the Board to lock in place.
- Continue assembling the second Bed, sliding Boards and Posts into place on top of the first to complete another rectangle.
- Attach Decorative Caps to the tops of each Corner Post.
