Dive into your industrial style with this modern Sawyer Electric Fireplace Mantel. The fireplace is paired with a deep, enhanced log and a color changing flame display insert to allow for your home to have the feel of a real fireplace without the hassle and maintenance of one. The dual heat settings can be adjusted accordingly for both warmth and energy saving purposes.

The fireplace can be used with or without heat, so you are able to enjoy the ambiance of your fireplace all year round. This mantel is styled with metal accents and an industrial chic design will accent any contemporary household decor. It includes a remote controller for your convenience in adjusting the settings from across the room. Two people are recommended to assemble this electric fireplace and TV stand. Keep cozy without sacrificing time or elegance with this Shelby Electric Fireplace Mantel from Cambridge!

**Shown in the White finish*
