

Made in the USA

Waterproof Green Grease™

Waterproof Green Grease™ is a professional grade/mil-spec, high-performance synthetic polymer multipurpose grease. We take pride in our proprietary formulation that sets our product apart from the competition making it the ultimate solution for a wide range of applications. From industrial/MRO, Military, Automotive, Marine, Mining, Farm & Agricultural applications, Waterproof Green Grease™ ensures superior protection and performance.

What makes Waterproof Green Grease™ unique?

- **100% Waterproof:** Unlike other greases, Waterproof Green Grease™ is the only product that offers complete waterproof protection.
- **Marine Grade** – Specifically designed to excel in marine applications. It effectively seals and protects against the corrosive effects of both fresh and saltwater ensuring optimal performance in any water-based environment.
- **8X Longer Lasting Lubrication:** Its advanced proprietary formula provides exceptional protection against wear, wash-out and centrifugal separation preventing premature failure and costly downtime.
- **Extreme Pressure Additives:** Ensures exceptional performance under heavy-duty load conditions. It provides superior protection to bearings, seals, and open gears even in the most demanding environments.
- **Rust Prevention, Corrosion Protection & Fertilizer Resistant:** It forms a protective barrier that shields against rust and corrosion extending the lifespan of your equipment and reducing maintenance costs.
- **Compatibility:** Compatible with a wide range of grease types including petroleum, hydrocarbon, lithium, and lithium complex greases. This versatility ensures seamless integration into your existing lubrication systems.
- **Exceptional Operating Temperature Range:** Engineered to perform in extreme temperature conditions with an operating range from -20° to 350° (Mil Spec).

GG0121

NLGI GRADE #2

Specifications:

COLOR: Green	BASE TYPE: Mixed Complex
DROP POINT: 550° F	
TIMKEN OK LOAD: 80 Lbs.	FOUR BALL E.P. WELD LOAD KG: 800 Kg. +

Packaging:

14 oz. Green Grease	Description	GG/Sku No.	NSN No.
14 oz. cartridge	Single plastic cartridge	101	
3-14 oz. 3-pack	3 plastic cartridges	103	
10-14 oz. 10-pack	10 plastic cartridges	1003	9150-01-700-1257
50-14 oz. 50-pack MP Case	50 plastic cartridges	1503	

3 oz. Green Grease

3-3 oz. 3-pack	3-3oz. Mini cartridges	203	
12-3-3 oz. 3-pack MP case	12 3-3oz. Mini cartridges	1203	

Bulk Green Grease

35# Net Weight Pail	5 Gallon pail	105	9150-01-700-1258
120# Net Weight Keg	16 Gallon keg	120	
400# Net Weight Drum	55 Gallon drum	155	
4000# Net Weight Tote Bin	10-55 Gallon drums	4000
