

Add more fun to your life and to your outdoor color scheme with the Luna 5-Piece Dining Set from Mod. This colorful collection of four stationary sling chairs and a 41-in. dining table is soon to make your backyard the hottest spot in the neighborhood. The clean, modern lines of these pieces add a bright pop of color to your outdoor oasis. Each piece has heavy-duty aluminum frames with a powder coating to extend protection against rust, scratches, and UV harm. The sturdy frames create a supportive base for the chairs, while the lightweight, PVC sling fabric contours to the natural shape of your back for optimal comfort; it's strong, UV-resistant, and quick to dry - perfect for poolside lounging. For maximum relaxation, rest your drinks and snacks on the matching aluminum slat-top dining table. The slats are easy to clean and prevent excess water build up. Made with all-weather materials, this set will be the focal point for friendly weekday get-togethers and sun-soaked family weekends for years to come.
