

DEER FLY PATCHES

4 GLUE PATCHES

Biking

Hiking

Fishing

DIRECTIONS FOR USE:

1. Each trap has 2 strips covering both front and back sticky surfaces.

2. Peel off the red strip and discard. Press the exposed glue surface onto the back of hat or in other desired location (on helmet or bag). Recommended placement is on top back-side of a hat.

3. After the patch is placed, hold patch firmly in place while peeling off the wide white strip to expose the glue trap surface. Discard white strip.

4. Patch is ready for use.

5. Remove and replace patch after each use or when full.

* This item is not recommended for use with long hair.
