

The Renditions Collection

Reimagine a backyard that you and your guests will love with the Renditions collection. Each piece is created using cast-aluminum frames, coated with a protective bronze finish. The elegant scrollwork that covers the collection is not only a design accent, but also serves a practical purpose in preventing excess water buildup on the table's surface. The chairs have a 360 degree spin, gentle rocking motion, and are outfitted with plush cushions wrapped in premium Sunbrella fabric®—tough enough to handle the elements but still comfortable enough to spend hours on your patio relaxing. Sunbrella fabric is easy to clean, fade proof, UV resistant, and stain resistant. Designed to last, you can rely on Agio to provide the most stylish dining sets under the sun.
