DK2 is a leading manufacturer of power products and automotive accessory items. Our line has expanded into 6 categories of products; Snow Plows, Outdoor Power Equipment, Trailers, Auto Accessories, Winches and our newest addition: Cordless Tools.

We believe in providing quality first and are focused on delivering our products to our customers on time and in accordance with their ever changing needs.

We believe that our business can – and should – have a positive impact on the communities we serve.

With Distribution Centres in both Canada and the US, we service a wide range of wholesale and retail channels by maintaining our commitment of providing products that are designed and created with high ethical standards.

# LIMITED 1 YEAR WARRANTY

## WHAT IS COVERED

DK2 Inc. warrants to the original purchaser of any DK2 product that it will be free and clear of manufacturing defects in workmanship and materials under normal use and service for a period of one (1) year from the date of the original purchase.

If within one (1) year from the original date of purchase this product fails due to defect in material or workmanship, Detail K2 will repair, replace, or supply any defective part at our option. Upon expiry of one (1) year, Detail K2 will have no further liability related to the product. Detail K2 does not authorize any party, including its authorized distributors or dealers, to offer any other warranty on behalf of Detail K2 Inc.

## THIS WARRANTY DOES NOT COVER OR APPLY TO:

- (a) Damage to the product due to misuse, mishandling and abuse
- (b) Improper installation, maintenance and storage
- (c) Expendable parts such as nuts and bolts, pins and springs
- (d) Normal wear and tear
- (e) Consequential damage & incidental damages such as damage to persons or property

## PROCEDURE FOR OBTAINING A RETURN AUTHORIZATION

Within the one (1) year warranty period, the purchaser of the product must notify an authorized distributor or dealer of the claimed defect and provide proof of original purchase. At this time the validity of the claim will be determined and a Return Goods Authorization Number (RGA) will be issued if approved. No returned product will be accepted under warranty unless accompanied by an RGA# issued by Detail K2 Inc.

## RESOLUTION FOR A DEFECTIVE PRODUCT

Detail K2 Inc. will at its option repair or replace the defective product covered by this warranty. The repaired product will be shipped to the purchaser upon completion. All transportation charges shall be the responsibility of the purchaser. Any damage in transit will be the responsibility of the carrier or at the risk of the purchaser.

AVAL8422 / 826518005005  
AVAL8826 / 826518005708

### FEATURES

- Fits most light trucks and SUV's
- Easy to mount - simply slides into a 2" class III front mount receiver in seconds. Slide out and roll away for storage
- An electric winch lifts the blade, controlled from inside your warm vehicle for easy up and down snow control
- Blade angles set and lock manually with a single lever lifting a pin to 3 blade locking positions: straight on, angled to the right, and angled to the left
- Powder coated all-steel with UV protected paint
- Flip down locking castors allow easy plow attachment, removal, and roll away storage - just lower the wheels and roll the unit to wherever you want it
- Each snow plow kit also includes a set of blade stiffeners for added strength
- ISO 9001 certified manufacturer
- 1 year limited warranty
- Ships in a single carton on a standard size pallet

### DESCRIPTION

The DK2 Universal T-Frame Mounted Snow Plows allow you to quickly and effectively remove snow from your driveway or small parking lot. These plows simply slide into a 2" front mount receiver for easy removal and storage.

Each snow plow ships in a single carton complete with hardened steel cutting edge scraper, rubber snow deflector, polymer-wrapped wire rope plow markers, skid shoes, castor kit for easy storage, and a 3,000lb wireless electric winch. Each plow kit will also include a set of blade stiffeners for added strength by creating a 3 point connection.

- Ships in a single carton on a standard size pallet

### DESCRIPTION

The DK2 Universal T-Frame Mounted Snow Plows allow you to quickly and effectively remove snow from your driveway or small parking lot. These plows simply slide into a 2" front mount receiver for easy removal and storage.

Each snow plow ships in a single carton complete with hardened steel cutting edge scraper, rubber snow deflector, polymer-wrapped wire rope plow markers, skid shoes, castor kit for easy storage, and a wireless electric actuator for extra strength and reliability versus the winch-driven standard series. Each plow kit will also include a set of blade stiffeners for added strength by creating a 3 point connection.

### ACTUATOR BENEFITS

Smoother operation, better control, with a built-in clutch to protect your snow plow blade. Actuators use a strong chain to lift your plow while using less amperage than the winch, extending the life of your solenoid. Built with a completely sealed gearbox and housing - IP67 dust and water rating.

## FULLY HYDRAULIC EVEREST SNOW PLOW

### ITEM NUMBER

EVST9022

### UPC

826518005579

### FEATURES

- Ships partially assembled (mount & wiring required)
- Simple bolt on custom fitted mounting brackets, no drilling or welding required (sold separately)
- Hydraulic system lifts and lowers blade
- Light weight, no need to alter stock suspension
- Black UV powder coated components with an industrial painted blade skin
- Self-leveling foot provides max blade tip clearance when the blade is fully raised
- Skid shoes to assist guiding the blade edge over uneven terrain or from possibly marking those more delicate driveways
- Snow deflector to assist directing snow forward and also minimizing windshield spray
- Wired hand held control
- Blade hardware holds the hydraulic pump so it can be rolled away from the vehicle rather than being left on the truck with the mount
- Thicker trip springs to ensure tension remains strong and coils tight for optimal performance when encountering obstacles
- Existing holes in plow frame make it easy to add bolt-on accessories
- Bolt-on accessories and upgrades available

12

### DESCRIPTION

DK2 is proud to bring you the ultimate snow plow solution in our line up - the DK2 Everest.

This prosumer, fully hydraulic snow plow kit provides you the opportunity to clear your parking lot, driveway, or lane way whenever required. With our fully hydraulic system you can raise, lower, and angle the snow plow blade from inside your vehicle using our wired hand held remote. For extreme durability against the elements and rust, DK2 combines an industrial powder-coated paint finish on the blade with hot dipped galvanized hardware components to keep your plow looking new for years.

The plow itself simply clips to a DK2 custom fitted vehicle mounting system and can pretty much mount to anything that's fit to push snow.

### SPECIFICATION

- Blade Dimensions: 88" (W) x 22" (H)
- Assembled Weight: 425 lb
- Gross Weight: 450 lb
- Shipping Dimensions: 48" (L) x 42" (W) x 40" (H)
- Construction: Steel tube & sheet
- Color/Finish: Black industrial powder coated blade skin and all other components
- Lift system: Hydraulic
- Angling System: Hydraulic, multiple positions
- Control System: Wired remote control to lift, lower, angle left or right
- Vehicle Mounting System: Custom bolt-on mounting brackets \*Sold separately
- Scraper Blade: Powder coated steel, replaceable
- Included: Snow Deflector, Skid Shoes

### DESCRIPTION

The new addition to the DK2 trailer line up is the Hot Dipped Galvanized 5x7 Utility Trailer. Constructed from 100% steel all the components are reinforced, adjustable, removable or interchangeable. The MMT5X7G-DUG is fully welded and hot dipped galvanized to protect the steel from the elements especially in coastal regions. This unit offers the end user excellent value for their money and will dramatically add to the life of the trailer kit. Each trailer ships in a single carton including pre wired LED lighting for easy installation.

## TRUNK MOUNTED ALUMINUM 3-BIKE CARRIER

### ITEM NUMBER

BCR190

### UPC

827518007129

42

### DESCRIPTION

Just because you don't have a receiver hitch on your vehicle doesn't mean you can't take your bikes with you. The DK2 BCR190 allows you to strap our carrier to the trunk of your car or small SUV and haul up to 3 bikes with you. Adjustable for most makes and model of vehicles and easy to assemble. Soft rubber cradles and strap allow you to secure the bikes to the carrier without managing the finish or performance of your bicycles. Six adjustable straps will securely hold the bikes in place for whatever trip you take!

### SPECIFICATION

<b>CONSTRUCTION</b>	UV Resistant Lightweight Aluminum
<b>COMPATIBILITY</b>	Mountain Bikes and Road Bikes
<b>MOUNT STYLE</b>	Trunk Mounted
<b>DIMENSIONS</b>	29" x 18" x 29"
<b>WEIGHT</b>	8 lb
<b>SHIPPING DIMENSIONS</b>	19.5" x 34" x 6"
<b>SHIPPING WEIGHT</b>	11 lb

### FEATURES

- UV resistant lightweight aluminum construction
- Extreme temperature resistance
- Mounts to the trunk of most cars or small SUV's
- Carries up to three bicycles
- Frame straps are easy to use and long lasting
- Folding adjuster allows you to fold your rack away when not in use
- Gross Weight: 11 lb
- Net Weight: 8 lb
- 1 year limited warranty

**ATTACHMENT STRAPS**

**FRAME STRAPS**

## HITCH MOUNTED 4-BIKE CARRIER

### ITEM NUMBER

BCR290

### UPC

827518007136

43

### DESCRIPTION

The DK2 Hitch Mounted Bike Carrier is the perfect way to transport your bicycles on those long road trips. Quick and easy assembly takes only minutes. The BCR290 is constructed of UV power coated steel to help resist damage from harsh weather conditions. Simply slide the bike carrier into your 2 inch receiver hitch and secure using the anti wobble hitch pin. No mark straps allow you to secure up to 4 bikes to your carrier for transportation. The carrier also tilts away for easy access to your trunk.

### SPECIFICATION

<b>CONSTRUCTION</b>	Powder Coated Steel
<b>COMPATIBILITY</b>	Mountain Bikes and Road Bikes
<b>MOUNT STYLE</b>	Hitch-Mounted
<b>DIMENSIONS</b>	35" x 12" x 35"
<b>WEIGHT</b>	20 lb
<b>SHIPPING DIMENSIONS</b>	22.5" x 14" x 3.75"
<b>SHIPPING WEIGHT</b>	23.2 lb

### FEATURES

- Powder coated steel construction
- Easy to assemble
- Can be folded when not in use
- Can open trunk while unit is mounted on your vehicle
- Mounts up to 4 bicycles
- Fits any 2 inch hitch receiver
- Frame straps are easy to use and durable
- 1 year limited warranty

**FITS ANY 2" RECEIVER**

**EASY TO ASSEMBLE**

**FRAME STRAPS**

## HITCH-MOUNTED 2-BIKE PLATFORM CARRIER

### ITEM NUMBER

BCR590

### UPC

827518007112

44

### DESCRIPTION

The DK2 Hitch Mounted BCR590 Bike Carrier fits into either a 1-1/4" or 2" receiver hitch. This unit allows you to transport two bicycles by securing them to carrier. The BCR590 adjusts in width and height to fit your bike while making sure the no mark straps do not damage the finish of your bike. The carrier folds up when not in use and the center arm can fold down to allow access to the rear of the vehicle without removing the rack. Light weight and easy to assemble the BCR590 is the perfect solution for those long road trips!

### SPECIFICATION

<b>CONSTRUCTION</b>	UV-Powder Coated Steel
<b>COMPATIBILITY</b>	Mountain Bikes and Road Bikes

<b>WEIGHT</b>	20 kg / 44 lb
<b>RACK WEIGHT CAPACITY</b>	32.8 kg / 72.3 lb
<b>TOTAL WEIGHT CAPACITY</b>	65.7 kg / 144.8 lb
<b>RECEIVER</b>	Fits on a 5 cm / 2" Hitch Receiver

### FEATURES

- Heavy-duty powder coated steel construction
- Fits over a 2" hitch receiver
- Padded universal top clamp
- Adjustable base to fit most size tires
- Effortless loading and unloading
- Safely hauls up to 2 bicycles, including e-bikes, mountain bikes, road bikes, and fat tire bikes
- Super compact folding capability for easy storage
- Access your hatch or tailgate while the hauler is attached

**COMPACT FOLDING CAPABILITIES FOR EASY STORAGE AND REAR VEHICLE ACCESS**

**HOLDS UP TO 2 BIKES**

## HITCH-MOUNTED STEEL CARGO CARRIER

### ITEM NUMBER

HCC602

### UPC

827518001165

46

### DESCRIPTION

The DK2 hitch-mounted black powder coated steel cargo carrier allows you to immediately increase the cargo capacity of your vehicle so you can haul bulky, messy items like luggage, coolers or firewood.

This carrier has a 500 lb carrying capacity (with a Class III or IV hitch receiver) and also flips up against your vehicle when not in use.

### SPECIFICATION

<b>CONSTRUCTION</b>	Corrosion Resistant Black Powder Coated Steel
<b>MOUNT STYLE</b>	Hitch-Mounted
<b>MAX CAPACITY</b>	500 lb *With a Class III or IV Hitch Receiver
<b>DIMENSIONS</b>	60" x 20" x 6.5"
<b>WEIGHT</b>	47 lb
<b>SHIPPING DIMENSIONS</b>	32" x 22" x 10"
<b>SHIPPING WEIGHT</b>	51 lb

### FEATURES

- Increase the cargo capacity of your vehicle
- Easy to assemble
- Mounts to any 2 inch hitch receiver
- Flips up when not in use and stows against the rear of the vehicle
- Black powder coat finish resists corrosion
- Carries up to 500 lb dependent on receiver strength (recommended Class III or IV)
- Heavy duty tubular and expanded mesh steel construction

## HITCH-MOUNTED ALUMINUM CARGO CARRIER

### ITEM NUMBER

HCC502A

### UPC

### ITEM NUMBER / UPC

40PUS12 / 827518007402  
40PUA12 / 827518007396

### DESCRIPTION

The Trojan Portable Utility Winch is a complete winching solution in a convenient kit that features a 4,000 lb rated line pull winch on a unique powder coated winch platform, all in a compact, easy to carry composite tool box. The kit is easy to store, use, and repack. Completely portable, the Trojan requires no installation and does not require a winch mount; however, it can be permanently mounted on a trailer and be used as a utility winch if desired.

### SPECIFICATION

## SPARTAN 6,000 LB ELECTRIC WINCH

### ITEM NUMBER / UPC

6000 / 826518005173  
6000-SR / 827518006764

### DESCRIPTION

Warrior Winches are delighted to announce the arrival of the new member of Spartan Series, Tough, Strong and ready for Battle. The Spartan 6000 lb short drum model is ideal where space and payload are limited. The winch has a short drum and is less than 66Lbs, however the extended drum supports allow it to carrier up to 131ft of 0.28" cable. The Synthetic rope version comes fitted with 0.27" x 98ft.

We really believe these to be the best value for money Winches around, a lower price does not mean that we have had to compromise the core values integral to a good winch, such as reliability and durability.

With great performance, outstanding features included as standard, & backed by the Warrior Winches un-rivalled limited Lifetime Warranty, this should make a Spartan the first choice for all serious enthusiasts.

### FEATURES

- Weather sealed high performance motor
- Heavy duty 3 stage gearbox
- Heavy duty drum supports
- Full steel planetary gearing
- Full load holding brake
- Every winch is 100% load tested
- Chip resistant gloss paint finish

- Weather sealed high performance motor
- Heavy duty 3 stage gearbox
- Heavy duty drum supports
- Full steel planetary gearing
- Full load holding brake
- Every winch is 100% load tested
- Chip resistant gloss paint finish

### INCLUDES

- 10 ft remote handset
- 5/16 hook
- Aluminum or roller fairlead (synthetic rope or steel cable)
- Heavy duty battery leads
- Stainless steel mounting hardware
- 0.27" x 98 ft synthetic rope or 0.28" x 131 ft steel cable

STEEL & SYNTHETIC VERSIONS AVAILABLE

## DESCRIPTION

The narrow drum version of the best selling 9500. A total width of 17.2 inches ensures this is the perfect product for limited space. The 5.0hp motor delivers 9500lb of pulling power in space normally designed for Winches with half the power.

The Short Drum winch is the preferred choice of the British Military on specialist vehicles currently serving in action. Available with synthetic rope and aluminium fairlead, to give a total weight of 44 lbs.

- Isolation switch
- Stainless steel mounting hardware
- Wireless remote

## DESCRIPTION

The Predator is designed for hard-core competition. Two powerful 7.2HP sealed motors provide performance that is truly out of this World. Together with a 108:1 ratio 3 stage planetary gearbox, this winch handles the most extreme off-road punishment.

With a surprisingly low draw of only 140 amps (at no load), the Predator also contains an innovative “multi stop” 10% ratchet brake design, which provides zero drag when returning the “cable in”, and is situated away from the drum to prevent any damaging heat transferring to your Armortek or Synthetic rope.

The steel drum flanges are precision machined to 0.39” on either side to resist the unique loading characteristics of synthetic rope, while the Alloy Carbon gears are heat treated and tempered to 62HRC rating for extra strength. This Warrior from another dimension will mercilessly prey on its weaker rivals, hunting the opposition down. At 10kg lighter than any of its nearest competitors, with off-load line speeds from 65ft per minute & available with or without synthetic rope, there’s a Predator out there, ready & waiting, for everyone!

## FEATURES

- Dual 7.2 hp sealed motors
- Sealed motor conforms to IP67
- Sealed waterproof contactor
- “Multi-stop” 10% ratchet brake design
- Sealed 3 stage planetary gears
- Alloy carbon gears hardened to 62HRC rating
- No load speed of 65 ft / min

## INCLUDES

- 0.35” x 124 ft synthetic Armortek rope
- Wireless remote with LCD display
- Heavy duty remote control
- Silver Warrior aluminum fairlead
- Heavy duty battery leads
- Stainless steel mounting hardware
- 12 ton competition hook

## DESCRIPTION

The T1000 Series Winches are built specifically for military use, able to withstand extreme climates and temperatures. Features include hardened 3 stage planetary gears for reliable and efficient use in the harshest environments. The waterproof remote control has thermometric LED indicators signals to monitor the temperature of the motor and high temp lithium grease is used which doesn't solidify in extreme climates. Coupled with corrosion & chemical resistant matte black powder coat & a stainless steel fairlead makes this a formidable winch able to withstand whatever is thrown at it.
