DEER STOPPER DEER REPELLENTS: THE ORIGINAL PLEASANT SCENTED REPELLENT!

Deer Stopper is available in two unique formulas and both ready-to-use and concentrate formulas. These products may be used independently or rotated month to month as needed for those looking to rotate repellents.

Highly effective product that prevent deer, elk and moose from bedding down, rubbing and foraging damage. Works by smell and taste and will not wash off after a heavy rain. Lasts for approximately 30 days. Safe for use around fruits and vegetables. Pleasant to use, dries clear and is odor free.

- *Easy to Use - Highly effective solution for preventing foraging and entry damage such as devastating plants (including gardens, shrubs, flowers and trees), bedding down and rubbing against tree trunks. Simply spray a fine mist to apply.*
- *All Natural Ingredients - Safe to use around kids, pets, and vegetables, our plant-powered formula deters animals without using any harsh chemicals. Guaranteed effective for 30 days per application, regardless of rain, weather and watering.*
- *Animal Repellent - This highly effective solution is ready to use and repels deer, moose, and elk.*
- **Ready to Use Sizes:** *32oz Trigger, Gallon with Nested Trigger, 2.5 Gallon*
- **Concentrate Sizes:** *Quart, Quart Ready to Spray, Gallon, 2.5 Gallon and other sizes available by request.*
