

Indoor/Outdoor UL507 Certified Oscillating Wall Mount Fan

The Indoor/Outdoor Wall Mount POW (Premium Outdoor Waterproof) fan from J&D Manufacturing is an oscillating, three-speed, waterproof fan with quiet operation. The POW Wall Mount fan includes a wall mount bracket and an attached 10' cord pre-wired for 115 volts so no electrician* is needed. These fans are perfect in areas around the farm that may come in contact with rain, humidity, and water spray.

*GFCI (Ground Fault Circuit Interrupter) recommended on all circuits

Features

- Available in 24" and 30"
- Includes powder coated steel wall bracket
- High output performance and quiet operation
- 3-speed pull chain
- Attached 10' cord with 3-prong plug pre-wired for 115 Volts
- Range of oscillation — 93°
- UL507 certified for indoor and outdoor use
- Aluminum blades - painted
- Corrosion-resistant, powder coated fan guards meet OSHA 1910.212(a)(5) requirements for installation at any height
- Totally enclosed, maintenance-free, direct drive, high-efficiency motors have completely sealed ball bearings, are UL and CUL recognized, and are covered by a **1 Year Warranty**
- Rated for use with our misting/fogging products to increase cooling abilities
- Minimal assembly required

**3
Speed**

**No electrician needed!
