

Barnstormer

J&D Manufacturing's Barnstormer is a dependable leader in air recirculation. The patented easy-open front guard is an exclusive feature that drastically reduces cleaning and maintenance time. The Barnstormer's tapered guard creates a high velocity air pattern that allows greater distance between fans, which means less fans in your barn and more money in your pocket.

Patented Open Front Guard

The Barnstormer is the only fan on the market with the hinged open front guard. This patented design helps cut cleaning and maintenance time. Dirt and dust are removed in minutes to get you right back to energy-efficient, high-output performance.

Features

- Patented open front guard for easy maintenance (U.S. Patent No. 5,348,447)
- Fan ships fully assembled and ready for installation
- Includes hot dip galvanized ceiling mount bracket
- Industry leading air velocity
- Quiet operation
- Guards are white powder coated for easy cleaning and corrosion resistance
- Direct drive motors with no belts or bearings to maintain
- 20" and 24" single phase standard motor models offer variable speed (*requires separate variable speed control to adjust fan speed*)
- Totally enclosed, maintenance-free, high-efficiency standard motors have completely sealed ball bearings, UL and CUL recognized, and are covered by a **2 Year Warranty**
- Gold Star motors have a **3 Year Warranty**
- Motors have built in automatic thermal overload protection for the longest motor life possible
- Compatible with our misting/fogging product line
