## **Christmas Wreath Storage Bag**

۲

After the holidays are over, protect and organize your Christmas trees, wreaths, garlands, lights, and ornaments with deluxe, high-quality storage options from Fraser Hill Farm.

Your artificial wreath (or garland) will be safe at home in our wreath storage container. Protect your investment from moisture, dust, and pests while it's stored during the off-season. Durable, tear-resistant, and water-resistant, this portable storage bag is constructed with heavy-duty 600 denier polyester.

A convenient, two-way wrap-around zipper opens the bag wide for easy packing and unpacking every year. Easy to transport and store, it has a reinforced carry handle. Plus, a card slot on the front provides easy visibility to what's inside - no more guessing games!
