

# CHRISTMAS TIME™

## The Yardville Pine Collection

A wonderful alternative to live greenery and arrives fully assembled. Some light shaping and your tree is ready to be displayed.

Pre-strung with battery operated modern LED lights bringing a festive glow to your home, batteries not included.

Crafted using high-quality artificial materials that will last season after season. No maintenance required just dust lightly as needed. Suitable for indoor or covered outdoor use.

Christmas Time produces the most realistic artificial Christmas trees on the market, featuring all the long-term benefits that come with owning an artificial tree. No more shopping, chopping, and paying for a live Christmas tree again. Simply unfold out of storage, fluff and decorate!

The Yardville Pine stands 3 ft tall and comes prestrung with 150 LED lights. The tree needles are constructed out of non-allergenic, flame retardant materials then painted multiple hues of green. Designed to last, the Yardville Pine will add convenience and ease to your holiday season, year after year.
