

CHRISTMAS TIME™

The Virginia Fir Collection

Clear Smart String Lighting is a wonderful system of lights that will remain lit even after one bulb burns out so you can clearly see - hassle free - which bulb needs to be replaced.

Clear LED Lighting produces a clear timeless display with long-lasting, low voltage bulbs for fewer bulb burnouts and lower energy bills.

Multi-Color LED String Lighting with Holiday Soundtrack! With our multi-color lighting, you can choose one color, multiple colors, or the classic clear display. You can also choose a sound-activated light show to your favorite holiday tunes.

Christmas Time produces the most realistic artificial Christmas trees on the market, featuring all the long-term benefits that come with owning an artificial tree. No more shopping, chopping, and paying for a live Christmas tree again. Simply unfold out of storage, fluff and decorate!
