Made In China

CANOPY

Premium Kennel Cover

•Drape cover over kennel roof with the Lucky Dog® woven label on the exterior and attachment tabs on interior.

•Attach cover to kennel at all 4 corners first.

•Connect the tabs to the frame by pulling the long end of the tab around the outside of the top frame rail, looping it around while pulling snugly, and attaching it to small tab.

Warning: Roof is non-load bearing
Remove Canopy cover from frame before wind or snow
