FC CE

50
MIN

Supercharge Battery % after 50 Minutes of Charging!
Power-Volt Car Charger is the only dual-USB-A car charger
that charges your smartphone 50% faster than standard.

80%

POWERVOLT™ PD

30%

Standard Charger

Compact and Powerful Charge two devices at once
with a combined 32W of power.

Powered by compact 1.5" recharge block, appears
like a standard car charger, with a power boost of 50%
in 50 mins.

20W USB-C PD charges phones 4x as fast
as a standard 5W charger.*

Charges 2 iPhone™, 1A & 1.5W, 100% recharge rate
in 1.5 hours. It has the appearance of a standard
charger, but it's 50% faster!

12W USB-A to quickly charge a 2nd device
simultaneously.
Up to 1.5A @ 12 watts, recharge up to 80%
in 1.5 hours.

Smart security construction with your device
to prevent overheating and failed charge rate.
In case of overheating, power will stop to
prevent further damage to your device.
LED Power Indicator Light

LED Power Indicator Light
(Green = normal charging, Red = 50%
charge)
