

Van Zyverden's
ASTER WHITE LADIES

Aster is a deciduous perennial that produces daisy like flowers atop dark green leaves. They are a mainstay in the fall garden and very easy to grow. Use in borders, cottage gardens, along walkways, paths and containers in sunny locations.

Popular garden plant

*One of the larger
growing asters*

Semi-double flowers

About This Variety: Aster White Ladies is known for its mass of white double flowers, which reveal a yellow center later in the season.

Growing Instructions: Plant in spring in well-drained soil in full sun

Care Tip: Little to no maintenance plant. However, pinching back stems a couple times during summer will help control plant height later in the season.

Blooms: Late Summer

Exposure: Full Sun

Height: Grows 3-4' tall

Spacing: Plant 24-36" apart, 2-3" deep

USDA Zones: Hardy in USDA zones 4-8

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
