EPA Registered Disinfectant/Sanitizer

Nixall® Disinfectant/Sanitizer is for all contaminated hard surfaces that need some sanitizing and disinfecting! From home and outdoors to everyday living, Nixall® Disinfectant / Sanitizer is a hospital-grade product that kills labeled pathogens including HIV, C-diff, and MRSA – just to name a few.

This product is on the EPA's N list of Disinfectants for Use Against SARS-COV-2, the cause of Covid-19.

From infant to adult, home to office, and bird-cage to the barn, Nixall® Family Wellness, and Nixall® Animal Wellness, work in tandem to provide you, and your furry, four-legged, or feathered friends with a health management solution straight from nature itself!

Nixall® VETRESPONSE® for continual health management of all the animals under your care!

No sting formula!

First Aid Solution

Nixall® First Aid is designed for all minor outdoor recreational skin issues, irritations, sunburns, and small wounds. It is without harsh chemicals or toxic substances so you can feel good about using it on your entire family!

Hand & Skin Cleanser

Nixall® Hand & Skin Cleanser is for cleaning, moistening, and softening your hands and skin. Let your skin breathe! No more slathering on thick lotions and creams, and no more toxins! A clean, moisturized hand & skin all-in-one spray.

Eye & Ear Wash

Nixall® VetResponse® Eye and Ear Wash is formulated for your animals eyes and ears to wash away debris and pollutants. Soothing to your pet's eyes and ears. The "No-Sting" formula removes tear stains too.

Poultry & Avian Care

If your poultry is more than just livestock, then you need Nixall® VetResponse® Poultry Care. The solution for your chicken, duck, or turkey that can't stay out of trouble. Spray on foot injuries, skin issues, and pecking sores. Safe for use around the eyes, ears, and nose.

Wound + Skin Solution

Nixall® VetResponse® Wound+Skin Solution is loved by veterinarians, and first choice for pet owners or horseman in wound and skin care! For use on lacerations, cuts, abrasions, irritations and burns. Helps accelerate the healing process.

Wound + Skin Solution Gel

Nixall® VetResponse® Wound and Skin Soltion Gel can be used to help moisten & protect a wound bed from dirt. Safe if licked and does not irritate wounds. A great addition to any wound management program.

Skin + Coat Grooming Solution

Maintain that sought-after healthy skin, beautiful coat, and soft fur that keeps your pet looking healthy and feeling smooth! This product is a must for all show horses and prized pets in the show ring. If you're a groomer, DIY, or professional, then this will become one of your favorite products to apply after a bath while drying!

Pet & Home Deodorizer

Nixall® Pet & Home Deodorizer destroys odors on contact. Even the toughest kennel smells, the strongest cigar smoke, or the smells of rotting meat are eliminated. Safe for skin contact for pets and humans and does not mask odors!
