

# Soft Serve® Gold False Cypress

## *Chamaecyparis pisifera*

Sunny style and structure for your landscape.

Soft Serve® false cypress has long been one of our most popular evergreens, thanks to its neat, appealing shape and deer resistance - and now, it comes in gold! Soft Serve® Gold false cypress is the perfect plant for adding year-round color to your landscape. It naturally grows as a dense pyramid so is especially nice for planting near your front door or any place you'd like a formal accent. Easily grown in sun or shade for maximum versatility.

Top reasons to grow Soft Serve® Gold false cypress:

- Strong pyramidal shape adds low-maintenance structure to your landscape.
- Golden foliage is bright and colorful all year round.
- Good deer resistance.
