

BUCK FOREVER WARRANTY:

- We warranty each Buck knife to be free of defects in material and workmanship for the life of the knife.
- We will repair or replace, at our discretion, any defective Buck knife.
- This warranty does not cover normal wear, misuse, or product modifications.
- Buck knives are not intended to be used as hammers, chisels, pry bars, or screwdrivers and, therefore, knives used for such purposes are void of warranty, but may be able to be repaired for a reasonable fee.

WHAT IS NOT COVERED BY WARRANTY:

- **Coating Wear:** Blade and/or handle coatings naturally wear and are not covered under warranty.
- **Dishwasher Damage:** Not covered by our Forever Warranty. Avoid using dishwashers for cleaning.
- **Rust** is not covered under warranty. Knives should be kept clean and dry to help prevent rust from developing. Spa Service available for \$6.95 - there may be some pitting under the rust that we're unable to remove.
- **Disassembled Knives:** Disassembly voids the warranty. We charge \$10 to reassemble a knife.
- **Lost or Stolen Knives.** This includes any knives lost in natural or man-made disasters.
