

LIFETIME WARRANTY

A BucknBear knife is made to last lifetimes! BucknBear assures that our knives are free from defects. With our BnB Lifetime Warranty in place, BucknBear will replace or repair without any charge to the customer. This includes a BucknBear knife that is purchased from an authorized dealer.

Policy Exclusion: The policy only applies to genuine BucknBear products that were purchased from an authorized dealer. Knives purchased on the internet from any unauthorized source are not entitled to our warranty coverage.

Any BucknBear Knife that is modified from its original factory condition will void the BnB Life Warranty of the knife.

KNIFE CARE

- BucknBear knives are built to last. Cleaning and caring for your knife will maintain performance & enhance the life of your knife.
- Keep your knife dry; that means the entire knife, not just the blade.
- Keep your knife clean. Particularly moving parts & locking devices.
- Keep your knife oiled; especially pivot points & the blade.
Oil at least twice a year.
- Keep your knife sharp; a sharp blade is safer than a dull one.
- Store your knife in a dry place. Do not store it in the sheath.
