

46" 9-Drawer Mobile Workstation

Your Tools. Your Shop.™

Mobile Workstation: 964609G7

Store more

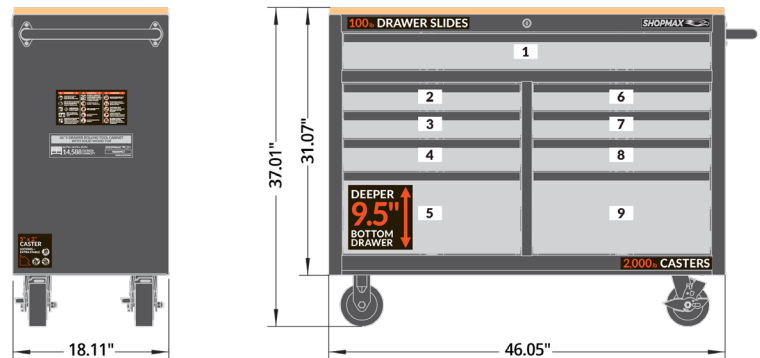

This SHOPMAX® 9-Drawer Mobile Workstation is narrow enough to fit along your garage wall next to the SUV, yet holds a whopping 14,588 in³ of your tools and hardware. This roomy cabinet is designed for heavy usage, and features all-welded 20-gauge steel construction. Everything about this workstation is designed for heavy usage and maximum secure storage, including an internal keyed locking system.

Store up to 1,200 lb. in the 9 drawers — each equipped with ball bearing drawer slides and a secure-latch mechanism that keep the drawers closed when moving. The deep bottom drawers can hold double the weight capacity, with dual drawer slides on each side. Use the sturdy all-steel side handle to place the cabinet exactly where you need it. Rolls easily on four heavy-duty 5" x 2" casters — two swivel/locking and two static.

- **14,588 in³ total storage space** for all your hardware
- **46"W x 18.11"D x 37.01"H** combined outside dimensions (w/ top)
- Removable **butcher-block style wood top work surface** w/ durable coating
- **20-gauge all-welded steel construction**
- **Four 5" x 2" casters**, two swivel/locking and two static
- **100-lb weight capacity ball-bearing drawer slides**
- **Industrial strength powdercoat** paint finish resists wear and tear
- **Secure-latch retention system** keeps drawers closed
- **Internal keyed locking system** w/ 2 keys

Outside dimensions and drawer numbers

Removable wood top work surface

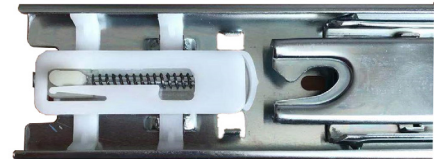

Twin drawers galore

Double up on your drawer sizes and depths for maximum storage: two pair of 3" drawers, one pair of 3.6" drawers, and a pair of 9.5" deep drawers – with dual drawer slides for doubling the weight capacity. Top that off with a single wide top drawer, and you can efficiently store and organize your hand tools and other work items.

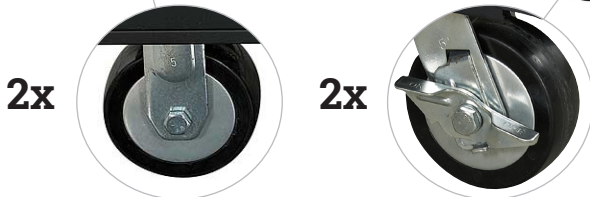

Drawers stay closed

All drawers have a secure-latch retention system (right), which allows you to move the workstation around your shop without the drawers opening.

Additional features

The side of the cabinet features the sturdy, **steel side push handle** for moving the workstation. The **butcher-block wood top** work surface is durable and never warps, and makes for an ideal project work area.

5" x 2" heavy-duty casters, two static and two swivel/locking
