

52" 11-Drawer Mobile Workstation

Your Tools. Your Shop.™

Mobile Workstation: 96521155

You've earned it.

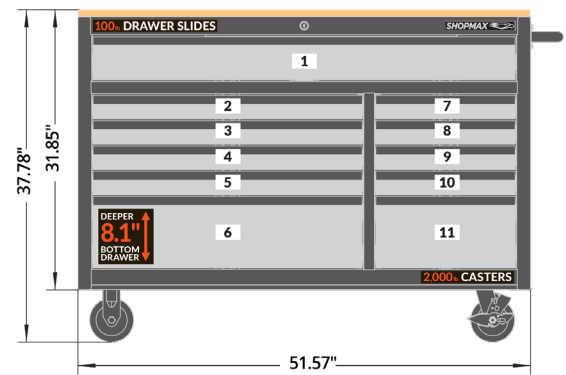

With this unit, you've secured bragging rights. This **SHOPMAX® 11-Drawer Mobile Workstation** may be narrow enough to fit along your garage wall next to the SUV (or boat), yet holds a massive 17,024 in³ of your tools and hardware. This is the workstation is designed for heavy usage and maximum, secure storage. Framed with all-welded, 20-ga. steel and covered with an industrial-strength powdercoated paint finish with a rough outer surface that resists scratching. The ball-bearing drawer slides provide super-smooth opening and closing, while the soft-close retention system with secure-latch mechanism ensures your drawers close softly, and stay closed when moving. Load it up with up to 1,200 lb. of all your valued tools and hardware.

- **17,024 in³** total storage space for all your hardware
- **51.57"W x 18.11"D x 37.78"H** outside dimensions (w/ top)
- **20-gauge all-welded steel construction**
- **Four 5" x 2" casters**, two swivel/locking and two static
- **100-lb Capacity ball-bearing drawer slides**
- **Soft-close drawers** never slam shut
- **Industrial strength powdercoat** paint finish resists wear and tear
- **Butcher-block wood top** with durable, protective coating
- **Internal keyed locking system** w/ two keys

Outside dimensions and drawer numbers

Closing softly. Staying closed.

All drawers have ball-bearing drawer slides for smooth opening and closing of up to **100 lb** of tools and hardware. Each drawer also has a **soft-close mechanism w/ built-in secure latching system**, so drawers will never slam shut, tools will stay where you put them, and the drawers will never slide open during movement.

Rest assured, you can find room to store and organize your hand tools and other work items. The beautiful butcher-block style **solid-wood top w/ protective coating** makes for the perfect project work area.

Push, pull, and roll

The side of the cabinet features the sturdy, steel push handle for moving the workstation exactly where you need it.
