Thank you for purchasing the Thermo-Pet Nest from K&H Pet Products.
When used correctly, your Thermo-Pet Nest should provide your pet with many hours of soft, cozy warmth.

WARNING: This is an electrical product. Read all directions and precautions carefully before operating. Failure to properly follow all directions and instructions may lead to electrical shock or fire, which could cause serious bodily injury.

USE INSTRUCTIONS

Read all instructions carefully. This is an electrical product; pay special care to IMPORTANT SAFEGUARDS.

Thermo-Pet Nest

ASSEMBLY & CARE INSTRUCTIONS:

1

To assemble the Thermo-Pet Nest, expand the pet bed into the cave shape. Locate the pet bed heater and pillow. Unzip the pillow and insert the heater with the cord exiting out the corner. **See Figure 1.** Close the zipper.

Figure 1

2

Place the pillow all the way into the Thermo-Pet Nest and insert the end of the heater cord through the cord exit hole in the back of the structure. Feed the cord through the hole in the crease and out the back of the pet bed. **See Figure 2.**

Figure 2

3

Your Thermo-Pet Nest can also be used as a cuddle bed by collapsing the roof. **See Figure 3.** Leave the pillow inside the cave shape and then collapse the roof.

Figure 3

Done! Your pet now has two pet beds in one! The K&H Thermo-Pet Nest is a versatile bed made to satisfy any need.

CARE INSTRUCTIONS:

Remove heater,
machine wash cold,
line dry or tumble
dry low.

IMPORTANT SAFEGUARDS

When using electrical appliances, basic safety precautions should always be adhered to including the following:

- Read all instructions.
- To protect against electrical hazards, DO NOT immerse cord, plug or appliance in water or other liquid.
- Close supervision is necessary when used by or near children.
- ALWAYS unplug from outlet when not in use.
- DO NOT operate any electrical appliance with a damaged cord or plug, or if the appliance malfunctions, or has been damaged in any manner. RETURN all malfunctioning appliances to the manufacturer for examination.
- DO NOT use appliance for other than its intended use.
- DO NOT PUNCTURE HEATER FOR ANY REASON.
- For use with 110-120 volt AC ONLY.
- CORD MUST EXIT towards the back of bed, away from normal travel of pet.
- A liner must separate the pet bed warmer from the stuffing material.
- When using this product, make sure your pet has the option of sleeping on or OFF the bed.
- SAVE THESE INSTRUCTIONS FOR YOUR USE.

Testing your Pet Bed Heater

After operating for 1-2 hours, place your hands on your pet's bed for 20-30 seconds applying light pressure. You will feel the radiant warmth that your pet will enjoy.

K&H Limited One Year Warranty

Our warranty is as follows: K&H Pet Products warrants to the original consumer, that this product will be free of defects and workmanship for a period of one year from the date of purchase. The manufacturer's liability hereunder is limited to replacement of the product. This warranty is void if the product has been damaged by accident, unreasonable use, neglect, tampering, or other causes not arising from defects in material and workmanship.

To exercise your warranty: If, during the warranty period, your product malfunctions, return it to the place of purchase with your **original purchase receipt**. If this cannot be done, return the product, postage prepaid, to K&H Pet Products, with a **dated proof of purchase or original date receipt**. A return authorization number can be obtained by calling (719)591-6950 and must accompany all returns to manufacturer. Please include a note explaining the problem when returning the product.
