

CSG-300

Quick Read Folding Grilling Thermometer

Auto-On with a Rapid Response!

RAPID RESPONSE: The 4.25" food-grade stainless steel instant read probe needs just 2-3 seconds to measure accurate temperature and has a wide range of -58°F-572°F (-50°C-300°C).

WATER RESISTANT: IPX66 rating for water resistance. Takes 1 Lithium battery (included).

LARGE SCREEN: Easy and clear reading display. MAX/MIN button to read the last highest/max temperature measured.

EASY STORAGE: The strong magnetic backing allows you to place it on your grill or refrigerator when not in use; also, has hanging hole that can be hung on a tool hook.

NSF CERTIFIED: Products bearing an NSF certification mark meet all standard requirements, including product testing and regular inspections to verify products continue to comply with the standard.
