Corrolla Luxury Recliner

Ease into comfort with the Corrolla outdoor luxury recliner from Cambridge. The rich brown resin weave and cool fabric colors will enhance the look and feel of any outdoor lounge or pool area. The base is constructed with a rust-resistant, heavy-gauge steel frame. The reclining mechanism offers three angles of adjustable comfort. Thick plush cushions are designed with moisture and UV-resistant olefin fabric wrapped around premium foam, then attached to the chair's back, seat, and leg rests. The Corrolla outdoor luxury recliner provides you with the most relaxed seat under the sun.
