

## Padded Sling Chaise

### Padded Sling Chaise

The Cambridge padded chaise is a must-have accessory for your backyard or patio. Perfect for lounging in the sun or by the pool, this chaise fuses durable sling fabric with layers of plush foam for ultimate outdoor comfort.

The frame consists of rust-resistant aluminum that is finished with a white powder coat for maximum outdoor protection. The backrest offers three adjustable levels of incline and is capable of folding down flat for low-profile storage. Not only is the padded sling comfortable, but it's quick to dry, resists stains and UV harm.
