Heritage 5-Piece Swivel Dining Set

Take your outdoor dining area from functional to fashionable with the Heritage 5-piece dining set by Cambridge Outdoor. Porcelain tiles adorn the 51-in. table top in a pleasing, neutral tone mosaic pattern. The weather-treated chairs with heavy-duty aluminum frames will ensure they last for many years without rusting or corroding. The beautiful cast scrollwork on the chair backs add to the aesthetic of this classic collection. For increased comfort, the rockers also perform a smooth, 360-degree spin and gentle rocking motion. The complete look includes a round dining table, four dining chairs and four seat cushions.
