Nova Adjustable Sling Chaise

Whether you're reading a book on your deck or drying off by the pool, the Nova chaise is the perfect addition to your outdoor lounge space. Both robust and reliable, this lounge chair is constructed with durable sling fabric over rustproof aluminum frames. Designed with cool gray tones, this chaise coordinates well with any environment it's placed in. A three-way adjustable backrest allows you to alter its angle to your most relaxed position. The all-weather sling fabric is both UV and water-resistant, proven to maintain its strength under any weather condition.
