

Tame the Great Outdoors®

22" FWD 3-in-1 Mower

Self-propelled / SELECT PACE 6 Speed CVT

YG2860

High Versatility with Total Control

The YARDMAX 22" 3-in-1 Front Wheel Drive (FWD) Self Propelled Lawn Mower will make cutting your lawn quick and effortless with its high-performance easy start 201cc OHV YARDMAX engine.

Equipped with an automatic choke system, no priming or choking is required. The high rear wheels are perfect for uneven terrain and are equipped with double ball bearings and exclusive aggressive spiked tread rubber tires for an increased traction and maneuverability.

Convenient deck washout port allows you to clean the deck's underside quickly and easily, simply attach a hose to the port and let the water flush out the dirt so you're ready for your next mow. Fully assembled, just unfold the handle and you're ready to go. The YARDMAX YG2860 will make your yardwork job easy and will provide reliable performance and clean-even cut season after season.

FEATURES & BENEFITS

- Exclusive and industry-leading CVT (continuously variable transmission) offers superior speed variability to adjust the mower pace to your walking speed by simply selecting the 6-speed shift lever
- Starting made easier with the automatic choke system, no need to prime or choke the engine
- Exclusive rubber tires with aggressive spiked tread pattern significantly increase overall traction and maneuverability
- Quickly clean the underside of the cutting deck with the deck cleanout port
- Single-lever deck adjustment for quickly setting your mow height
- Seven cutting heights from 1.38" to 3.55"
- Double ball bearing wheels for an easy and smooth rolling and an extended durability
- MAXFlow™ Deck Technology – volute spiral deck design for better airflow and mulching
- Heavy-duty, 16-gauge stamped steel deck
- Durable, one-piece seamless steel deck reduces vibration
- Large rear bag capacity
- Space saver, the entire mower can be compactly folded for storing in small garage spaces
- 3-in 1, side discharge, mulch, or rear bag
- 8" front & 11" rear wheels for stability and control
- Adjustable, durable 3-position handle height
- Fully assembled
